

# CDM Electronics Now Stocks SumiMark®

## Tubing and Accessories for Same Day Shipping

**TURNERSVILLE, N.J.** - CDM Electronics, a premier authorized distributor of electronic connectors and cables, has an extensive inventory of supplies and accessories for the newest generation SumiMark IV 300 DPI shrink tubing printer from Sumitomo.

CDM has over 55,000 feet of SumiMark-specific shrink tubing in stock, along with print ribbon and other replacement parts. CDM also inventories SC-CM Printable Cable Marker Tags, the newest SumiMark accessory. Orders entered before 4PM EST for in-stock items will be shipped the same day, and CDM's website stock levels are refreshed every night for easy, accurate online shopping.

"We're proud to partner with Sumitomo, and maintain a high-level of customer-focused inventory for SumiMark users," said CDM CEO Carmen J.DeLeo. "CDM stocks the most popular SumiMark products, and our award-winning service assures an outstanding customer experience."

The SumiMark IV 300 DPI is the next generation of easy-to-use, industrial strength printers designed for the rigorous demands of heat shrink tubing applications. SumiMark-specific tubing can be handled immediately after printing, and meets the print adherence requirements of SAE-AS5942. CDM's inventoried shrink tubing and other parts are handled and stored in accordance with Sumitomo's quality standards, assuring product integrity and optimum shelf life for the end user.
