**CDM ELECTRONICS ADDS 13 ASSEMBLERS TO IPC620 & J-STD-001 MILITARY SOLDERING STANDARDS FOR ELECTRONIC CABLE ASSEMBLY**

May 8, 2008, Turnersville, NJ .... CDM Electronics, Inc., a leading distributor of commercial and military (MIL-SPEC) interconnect products, and premier provider of military cable assemblies, today announced additional certifications to the IPC-WHMA-A 620 military standards and J STD-001 for soldering. The standards encompass requirements for acceptance for cable assembly and wire harness fabrication. "These certifications bring our total to twenty-two assemblers qualified for J-STD-001 soldering, and demonstrate our continued commitment to the highest quality for our military customer base...", stated Production Manager, Laurie Burger.

The training was performed by the American Competitiveness Institute (<http://www.aciusa.org/>) and was completed successfully by thirteen staff members who are now certified IPC Specialists. Those members include: Eric Bruninghaus, Marie Stadnick, Blanca Castro De Morales, Glenn Cippon, Beverly Trasatti, Barbara Negri, Melody Zippel, Deb Mastranduno, David Van Haitisma, Rebecca Bowman, Debbie Clifford, Pat Hyland, Paula Hearn.

**About CDM**

CDM Electronics, Inc. is an authorized, stocking distributor of full lines of high-quality RoHS Compliant circular, printed circuit, rack and panel, RF, and audio communications connectors. Serving world leaders in the military, aerospace, industrial, medical and telecommunications industries, the Company additionally employs state-of-the industry documented and controlled systems in its value-added contract manufacturer division which specializes in mission-critical cable assemblies. CDM is certified to ISO 9001:2000, IPC620 and J-STD-001 and maintains ITAR registration. For information on CDM and its services, visit [www.CdmElectronics.com](http://www.CdmElectronics.com).
