CDM ELECTRONICS NOW REGISTERED WITH ITAR

May 13, 2008, Turnersville, NJ CDM Electronics, Inc., a leading distributor of commercial and military (MIL-SPEC) interconnect products, and premier provider of military cable assemblies, today announced official registration with ITAR, (International Traffic in Arms Regulations). "This registration demonstrates CDM's commitment to maintaining security among information pertaining to military & defense technologies," stated General Manager, Carmen J. DeLeo. He added, "This also qualifies CDM to participate in future contracts requiring this registration, and simplifies the procurement process for the top tier OEMs who require ITAR."

For more information on ITAR, visit the Directorate of Defense Trade Controls website, at http://www.pmddtc.state.gov/itar_index.htm.

About CDM

CDM Electronics, Inc. is an authorized, stocking distributor of full lines of high-quality RoHS Compliant circular, printed circuit, rack and panel, RF, and audio communications connectors. Serving world leaders in the military, aerospace, industrial, medical and telecommunications industries, the Company additionally employs state-of-the industry documented and controlled systems in its value-added contract manufacturer division which specializes in mission-critical cable assemblies. CDM is certified to ISO 9001:2000, IPC620 and J-STD-001 and maintains ITAR registration. For information on CDM and its services, visit www.CdmElectronics.com.
