**CDM Electronics Opens New Distribution Center  
To Support Times Microwave Systems' Interconnect Products**

***State-of-the-Art Facility Provides Full Complement of  
Inventory Management and Fulfillment Services***

Turnersville, NJ, October 19, 2015...Announced today by [CDM Electronics](http://www.cdmelectronics.com/), a premier authorized distributor of electronic connectors and cables, is the opening of a new distribution center in Williamstown, NJ, to exclusively support [Times Microwave Systems'](http://www.timesmicrowave.com/) broad range of transmission line solutions for military, aerospace, wireless communications and industrial applications. The 10,000 square-foot facility stocks more than 30,000 Times Microwave Systems' connectors and accessories, and approximately 350,000 feet of RF cable. Same-day-shipping, for orders received by 3 PM EST, is available from the distribution center. Times Microwave Systems' full lines of interconnects, cables and cable assemblies may be [ordered online](http://www.cdmelectronics.com/) from CDM Electronics.

The Williamstown, NJ distribution center joins other CDM operating locations in Irvine, CA, Madison AL and Plano, TX. It is strategically located five miles from CDM's Turnersville, NJ headquarters. The facility is fully staffed by operations, logistics, engineering and product management personnel, in addition to quality control professionals who verify the integrity of each electronic component upon receipt and shipment.

"CDM established the Williamstown distribution center for the sole purpose of reducing lead times, maximizing efficiencies, and providing added value to Times Microwave's OEM and MRO customers," said Dawn Lochner, Williamstown Operations Manager of CDM Electronics. "The facility employs the latest warehousing and inventory management technologies to optimize productivity and accelerate the shipping of parts. We are proud of our status as an Authorized Distributor for Times Microwave, and are confident that the distribution center will deliver significant benefits to their customers," she concluded.

The new facility is located at 1041 Glassboro Road, Unit A1, Williamstown, NJ 08094

### **About CDM**

For over 20 years, [CDM Electronics](http://www.CDMElectronics.com) has delivered interconnect product and cable assembly solutions to the world's leading aerospace, military, telecom, automotive, industrial, commercial, and alternative energy providers. Renowned for its unsurpassed levels of customer service and support, the company supplies Original Equipment Manufacturers (OEMs) with full lines of standard and specialty connectors including circular, Mil-Spec, DIN, power, PROFIBUS, rectangular, and RF devices. CDM employs documented and controlled systems in its value-added division, which specializes in mission critical cable assembly, including custom cable assembly, military cable assembly, power cable assembly, and box builds. The company's AS9100 Certified headquarters is in Turnersville, NJ. Regional offices are located in Irvine, CA, Madison, AL and Plano, TX and Williamstown, NJ.
