**CDM Electronics Promotes Dawn Lochner to**  
**CDM Williamstown NJ Operations Manager**

Turnersville, NJ, October 28, 2015... CDM Electronics has announced the promotion of Dawn Lochner to CDM Williamstown NJ Operations Manager, where she will oversee all functional areas of that new facility. Dawn started at CDM in June of 2006 as an Administrative Assistant, was promoted to Buyer, then earned the position of Purchasing Manager. Dawn's most recent promotion was to that of Senior Product Manager overseeing all RF product lines, including Times Microwave Systems which is QC'd, inventoried and fulfilled out of the new 14,000 square foot Williamstown NJ facility. Dawn has a comprehensive knowledge of CDM's production protocols, IT systems, and procurement planning which gives her a unique perspective with which to oversee the Williamstown NJ facility. Dawn also participated in attaining CDM's 2013 AS-9100C certification and has a passionate commitment to providing a premier customer experience. Dawn is a resident of Newfield NJ, has two daughters and is an avid long suffering Philadelphia Flyers fan.

**About CDM**

For over 20 years, [CDM Electronics](http://www.cdmelectronics.com/) has delivered interconnect product and cable assembly solutions to the world's leading aerospace, military, telecom, automotive, industrial, commercial, and alternative energy providers. Renowned for its unsurpassed levels of customer service and support, the company supplies Original Equipment Manufacturers (OEMs) with full lines of standard and specialty connectors including circular, Mil-Spec, DIN, power, PROFIBUS, rectangular, and RF devices. CDM employs documented and controlled systems in its value-added division, which specializes in mission critical cable assembly, including custom cable assembly, military cable assembly, power cable assembly, and box builds. The company's AS9100 Certified headquarters is in Turnersville, NJ. Regional offices are located in Irvine, CA, Madison, AL and Plano, TX and Williamstown, NJ.
