New SRI Connector Gage RF Connectors, Adapters and Accessories

CDM now has available the full line of SRI Connector Gage RF connectors, adapters and accessories.

Turnersville, NJ, February 1, 2017...[CDM Electronics](http://www.cdmelectronics.com/), a premier authorized distributor of electronic connectors and cables, today announced the availability of the full line of SRI Connector Gage RF connectors, adapters and accessories.

The new SRI Connector Gage products provide RF interconnect solutions for military, aerospace, communications, satellite, medical and test equipment applications. The SRI Connector Gage line includes over 2000 designs that cover virtually all popular RF connector interfaces with frequency capabilities from 18GHz up to 65 GHz.

This unique product line addresses a wide range of interconnect solutions for the following applications:

- WLL, GPS, WLAN, WISP, WiMax
- SCADA Mobile antennas
- Industrial automation and robotics
- Agriculture
- Medical, diagnostic and research equipment
- Alternative energy signal

"The addition of this product line now allows CDM to accommodate virtually all of our customers' RF frequency requirements" said Operations Manager Dawn Lochner, who oversees CDM's dedicated RF interconnect and cable facility in Williamstown, NJ. "The SRI Connector Gage range is designed for long life and reliable performance, fitting in well with our existing premier quality interconnect product mix."

SRI Connector Gage brings versatility and unique features to CDM's RF product offering, including:

- Made in America

CDM Electronics, Inc. • 130 American Boulevard • Turnersville, NJ 08012
(856) 740 - 1200 Phone • (856) 740 - 0500 Fax
