**Scott Bozarth Promoted to Operations Manager for
CDM Electronics Williamstown Facility**

Turnersville, NJ, April 3, 2017... CDM Electronics has announced the promotion of Scott Bozarth to CDM Williamstown NJ Operations Manager, where he will oversee all functional areas of that facility including machine shop activities, shipping, receiving, and RF product fulfillment. Scott's background is in high-volume distribution, and started at CDM in August of 2008 as Product Manager. Scott's responsibilities grew to where he most recently managed all current and legacy Eaton product lines, tactical communications and power interconnects, along with CDM's offering from Corsair and Binder. Scott has a hands-on knowledge of CDM's production protocols, IT systems, and procurement planning which gives him a comprehensive perspective with which to oversee the Williamstown NJ facility. Scott also has a highly personal commitment to optimizing CDM's customers' experience. Scott is a resident of Deptford NJ, is the guardian of two special needs felines, and is a nationally-ranked competitive body builder.

About CDM

For over 20 years, [CDM Electronics](http://www.cdmelectronics.com) has delivered interconnect product and cable assembly solutions to the world's leading aerospace, military, telecom, automotive, industrial, commercial, and alternative energy providers. Renowned for its unsurpassed levels of customer service and support, the company supplies Original Equipment Manufacturers (OEMs) with full lines of standard and specialty connectors including circular, Mil-Spec, DIN, power, PROFIBUS, rectangular, and RF devices. CDM employs documented and controlled systems in its value-added division, which specializes in mission critical cable assembly, including custom cable assembly, military cable assembly, power cable assembly, and box builds. The company's AS9100 Certified headquarters is in Turnersville, NJ. Regional offices are located in Irvine, CA, Plano, TX and Williamstown, NJ.
