**CDM Announces President's Award for 2021 Achievement**

Turnersville, NJ, January 28, 2022... CDM Electronics has announced Kate Lechleidner and Joe McGurk as recipients of the President's Award for outstanding customer service.

Kate Lechleidner is Inside Territory Account Manager for CDM's Mid-Atlantic and Southeast territories, and also is the dedicated point of contact for Northrop Grumman nationwide. Joe McGurk is Outside Territory Account Manager for CDM's Mid-Atlantic and Southeast territories. Both are based out of CDM's Turnersville, NJ headquarters and are long-time CDM employees.

"Kate and Joe's primary focus is consistently improving the standard of how we service our customers," said Lori Maeder, Executive Vice President at CDM Electronics. "Their achievement represents the continued commitment to their customer base of providing the best overall experience. We are also proud of our operations, engineering and quality teams who provide support services that have allowed Kate and Joe to build such strong customer relationships."

The President's Award is presented to customer-facing staff who exemplify the service and extra value customers have come to expect from CDM company-wide. Factors considered include providing technical assistance, developing unique solutions to product or manufacturing questions, collaboration with other functional areas to address customer needs and the monitoring and facilitating of customers' on-time deliveries.

**About CDM**

For almost 30 years, [CDM Electronics](http://www.cdmelectronics.com) has delivered interconnect product and engineered cable assembly solutions to the world's leading aerospace, military, telecom, automotive, industrial, commercial, and

alternative energy providers. Renowned for its unsurpassed levels of customer service and support, the company supplies Original Equipment Manufacturers (OEMs) with full lines of standard and specialty connectors including circular, Mil-Spec, DIN, power, PROFIBUS, rectangular, and RF devices. CDM employs documented and controlled systems in its value-added division, which specializes in mission critical [cable assembly](#), including [RF cable assembly](#), [military cable assembly](#), [power cable assembly](#), and box builds. The company's ISO and AS9100 Certified headquarters is in Turnersville, NJ. CDM maintains a regional office in Richardson, TX.
