**Kevin Metzger Promoted to Operations Assistant
For CDM Electronics**

Turnersville, NJ, February 25, 2022... CDM Electronics has announced the promotion of Kevin Metzger to Operations Assistant at the Turnersville, NJ, production facility. In his new position Kevin will assist in the daily operation of CDM's warehouse and production areas to include overseeing the processing of government orders, reviewing work-in-process and resolving past-due items, preparing improvement-focused performance metrics, and coordinating inter-departmental support of the Operations team. Kevin joined CDM in 2015 as a Production Assistant and has constructed cable assemblies, prepared components and materials for distribution to assembly technicians, and coordinated intra-team work production cells. Kevin also established himself as a key "go-to" person in CDM's Operations area due to his knowledge of all aspects of the ECAS (Engineered Cable Assembly Solutions) manufacturing process. Kevin is a graduate of Rowan College of South Jersey, is a Philadelphia Phillies and Eagles fan and a proud Dad of two girls. Kevin is a resident of Newfield, NJ.

About CDM

For almost 30 years, CDM Electronics has delivered interconnect product and engineered cable assembly solutions to the world's leading aerospace, military, telecom, automotive, industrial, commercial, and alternative energy providers. Renowned for its unsurpassed levels of customer service and support, the company supplies Original Equipment Manufacturers (OEMs) with full lines of standard and specialty connectors including circular, Mil-Spec, DIN, power, PROFIBUS, rectangular, and RF devices. CDM employs documented and controlled systems in its value-added division, which specializes in mission critical cable assembly, including RF cable assembly, military cable assembly, power cable assembly, and box builds. The company's ISO and AS9100 Certified headquarters is in Turnersville, NJ. CDM maintains a regional office in Richardson, TX.
