**Nicolette Sarin Promoted to General Manager – ECAS Division  
For CDM Electronics**

Turnersville, NJ, February 25, 2022... CDM Electronics has announced the promotion of Nicolette Sarin to General Manager – ECAS (Engineered Cable Assembly Solutions) Division based out of the Turnersville, NJ, production facility. In this new position Nicolette will oversee value added quoting, procurement and operations of the Salisbury MD and Turnersville NJ facilities for ECAS products. Nicolette will also monitor and manage key performance indicators, enhance relationships with suppliers and vendors, and foster continuous improvement within CDM's operational areas. Nicolette joined CDM in 2016 as a Cable Assembler and in 2018 was promoted to Operations Assistant where she assisted in the daily operation of CDM's warehouse and production areas that included schedule management, preparing performance metrics, reviewing work-in-process and resolving past-due items. Nicolette's extensive and diverse academic achievements include a Bachelor of Science in Mathematics and Master of Arts in Teaching, both from Farleigh Dickinson University where she was a two-time All American collegiate athlete. Nicolette is a resident of Sewell, NJ.
