### **Nicolette Hall Promoted to Director of Operations & Manufacturing For CDM Electronics**

Turnersville, NJ, February 26, 2024... CDM Electronics has announced the promotion of Nicolette Hall to Director of Operations & Manufacturing based out of the Turnersville, NJ, production facility.

In this new position Nicolette will oversee all day-to-day production and inventory management operations at our New Jersey headquarters including production planning, scheduling and resource management. Specific departments Nicolette will oversee are ECAS (Engineered Cable Assembly Solutions), Distribution, Quality, Test Lab and Warehouse. Nicolette will also develop and nurture relationships with key suppliers and vendors while fostering continuous improvement within CDM's operational areas.

Nicolette joined CDM in 2016 as a Cable Assembler and most recently was promoted to General Manager – ECAS Division where she oversaw value added quoting, procurement and operations of the Salisbury, MD and Turnersville, NJ facilities. Nicolette's extensive and diverse academic achievements include a Bachelor of Science in Mathematics and Master of Arts in Teaching, both from Fairleigh Dickinson University where she was a two-time All American collegiate athlete.
