Christina Harrison Promoted to General Manager Distribution Division

Turnersville, NJ, June 20, 2024... CDM Electronics, a full-line authorized interconnect distributor and value-added manufacturer, has announced the promotion of Christina Harrison to General Manager of their distribution product division that includes connectors, RF products and interconnect accessories. Christina will be based out of the Turnersville headquarters. In this new position Christina will monitor daily activities within purchasing and quoting departments to include inventory optimization, timely order placement and customer quoting requirements. Additionally, Christina will coordinate with operations and manufacturing to ensure quality, delivery and divisional strategy objectives are met. Christina will also be overseeing continuous efforts to improve efficiency and effectiveness within the distribution products division. Christina joined CDM in 2012 as a Sales Assistant and most recently was promoted to Materials Manager for distribution products. When not at CDM, Christina can be found coaching youth sports including football conditioning, basketball and indoor/outdoor track.

About CDM

CDM Electronics Inc. was founded in 1993 and specializes in the authorized distribution of interconnect products and the manufacturing of engineered cable assemblies. CDM is headquartered in Southern New Jersey and operates from an ISO 9001:2015/AS9100:2016 certified 43,000 square foot, state-of-the-art distribution and manufacturing facility. CDM also maintains a 25,000 square foot manufacturing facility in Salisbury, MD, along with a regional sales office in Richardson, TX and Huntsville, AL. In providing unsurpassed customer service and technical support, CDM is a valued partner to leading military contractors, aircraft manufacturers, communications providers and medical diagnostic equipment leaders.
