Danielle Ragone Promoted to General Manager Winchester Legacy Division

Turnersville, NJ, June 13, 2024... CDM Electronics, a full-line authorized interconnect distributor and value-added manufacturer, has announced the promotion of Danielle Ragone to General Manager of their premier Winchester legacy product division. Danielle will be based out of the Turnersville global headquarters. In this new position Danielle will monitor daily activities within purchasing and quoting departments to include inventory optimization, timely order placement, cost savings initiatives and customer quoting requirements. Additionally, Danielle will coordinate with operations and manufacturing to ensure quality, delivery and divisional strategy objectives are met. Danielle will also be overseeing continuous efforts to improve efficiency and effectiveness within the division to help drive cost efficiencies in other areas of the company. Danielle joined CDM in 2007 and most recently was promoted to Product Manager for the Winchester legacy product line.

About CDM

CDM Electronics Inc. was founded in 1993 and specializes in the authorized distribution of interconnect products and the manufacturing of engineered cable assemblies. CDM is headquartered in Southern New Jersey and operates from an ISO 9001:2015/AS9100:2016 certified 43,000 square foot, state-of-the-art distribution and manufacturing facility. CDM also maintains a 25,000 square foot manufacturing facility in Salisbury, MD, along with a regional sales office in Richardson, TX and Huntsville, AL. In providing unsurpassed customer service and technical support, CDM is a valued partner to leading military contractors, aircraft manufacturers, communications providers and medical diagnostic equipment leaders.
