Turnersville, NJ, March 18, 2025... CDM Inc., a full line distributor of interconnect products, manufacturer of engineered cable assemblies and manufacturer of fabricated metalworks, has been recognized as Winchester Interconnect's "Distributor of the Year Award" winner for 2024. Winchester Interconnect, a valued partner of CDM, selects the recipient of this annual award based on outstanding growth and commitment to their partnership and solutions.

Winchester Interconnect's Distribution Manager, Lynn Head and Director of Distribution Sales, Kelvin Riddle visited CDM's headquarters in Turnersville, NJ on February 12th, 2025 to present the award to CDM's General Manager, Danielle Ragone and Product Manager, Kristine Davenport. CDM is looking forward to their continued partnership and growth with Winchester Interconnect in 2025 and beyond.

Winchester Interconnect is a US-based manufacturer of high-precision connectors, cable assemblies and cable with applications that include military and aerospace, industrial, medical and space. CDM has been a valuable business partner of Winchester Interconnect for nearly thirty years and the premier distributor for their family of products that include: Delphi, Dynawave, Falmat, Haverhill Cable, Hermetics, Kings, Snap Lock, SRI Connector Gauge, TRU, Ulti-Mate, Win (formerly Continental Connector), Winchester Legacy and Xtreme Subsea Cable.

About CDM

CDM Inc. was founded in 1993 and specializes in the distribution of interconnect products, manufacturing of engineered cable assemblies and manufacturing of fabricated metalworks. CDM is headquartered in Southern New Jersey, operating from a 43,000 square foot, state-of-the-art distribution, and manufacturing facility. CDM maintains a 51,000 square foot manufacturing facility in Salisbury, MD, in addition to sales offices in Texas, Alabama and Florida. In providing unsurpassed customer service and technical support, CDM has become a valued partner to leading military contractors, aircraft manufacturers, communications providers, and medical diagnostic equipment leaders.
